Introduction

Naming “Al-Fateh”.

Our company “Al-Fateh” is named after the first governor of Bahrain His Highness Sheikh Salman bin Ahmed Al Fateh, who conquered Bahrain. He was the first ruler of Bahrain of Al Khalifa family. And, therefore we named our company “Al Fateh” to express our loyalty to our leaders.

“Company Logo”

The organization’s logo is an elephant that symbolizes the strength of work and tolerance of the most difficult types of goods. It is a symbol of appreciation for its hard work, strength and endurance. In Al-Fateh Clearing and Al Fateh Castle Contracting, we strongly emulate this logo in our strength, endurance to work and rigidity.

It is defined as a strong elephant with a long trunk that reaches anywhere. The arrow refers to services excellence.

We were inspired by Mr. Mohnan from Jassim Al Zayani and sons group, in the selection of this logo. It was designed especially for Al-Fateh Clearing by an international French artist.
